## 4 Guidelines for presenters

### Offline

- Make sure your presentation materials do not have compatibility issues beforehand.
- Please arrive in the session room at least 30 minutes before the session begins.
- Submit your file to the organizers before session starts.
- Presentation to be done on-site.

### Online

- Needs to be ready with presentation 15 days before the event , our technical team will connect online for recording with special software. Date and time of recording will be fixed with mutual consent.
- Students whose presentation will not be possible to record before hand, needs to submit presentation beforehand as backup in case of network instability.
- Connect online through link 15 minutes before the session starts to check video and audio connection.

## 5 General Precautions

### Offline mode

- Participants needs to follow Covid protocol prevailing during that period.

### Online mode

- All sessions will be streamed live so we recommend you to check network before the session begins.
- Use of Chrome/Firefox/Safari browser is recommended.
